ADJUSTMENTS AND RESUMPTIONS

§ 3.650 Rate for additional dependent.

(a) *Running awards.* Except as provided in paragraph (c) of this section where a claim is filed by an additional dependent who has apparent entitlement which, if established, would require reduction of pension, compensation or dependency and indemnity com-

(1) Where benefits would be payable from a date prior to the date of filing claim, the reduction will be effective from the date of potential entitlement of the additional dependent.

(2) Where benefits would be payable from the date of filing claim, the reduction will be effective the date of receipt of the claim by the additional dependent, or date of last payment, whichever is later.

If entitlement of the additional dependent is not established, benefits previously being paid will be resumed, if otherwise in order, commencing the day following the effective date of reduction.

(b) *New awards.* If the additional dependent is found to be entitled, the full rate payable will be authorized effective the date of entitlement.
